

Important

Practice Closure for Training

We will be closed between

12:30pm to 6:30pm

Medical emergency?

If you have a medical emergency during this time please dial **999**.

Need urgent medical advice?

If you need urgent medical advice that afternoon and cannot wait until Thursday morning, please call:

020 3727 5357

and you will be connected to the GP Out of Hours service.

Please note this service covers the whole of Croydon and the phone line might be busy.

There will be doctors on duty for telephone consultation and for face-to-face appointments when needed.

Practice-related queries

For any practice-related queries, repeat prescription queries, blood results, or to book a routine appointment, please either call us on the morning of **7th October** or when the practice reopens on the **8th October**.

Thank you!
